THE SYNERGY COMPANY™

EMPLOYEE SPOTLIGHT

Bit constantly demonstrates our core values in his daily work. He is respectful to all and is always willing to step in and help when needed. Bit is constantly finding new ways to improve our processes, to be more efficient, and to help the team succeed in our goals.

BIT BETANCOURT
Quality Control Lab Technician

TELL US ABOUT YOUR JOB AT SYNERGY - WHAT DO YOU DO?
As a Quality Control Laboratory Technician, I perform scientific tests in a laboratory setting to produce reliable and accurate results. My responsibilities include analyzing and interpreting data, preparing reports, and maintaining laboratory equipment and records.

WHAT MAKES YOU PROUD TO BE A PART OF SYNERGY?
Working for Synergy gives me many reasons to be proud, including the ability to have a positive impact on others' health and wellness. Synergy is constantly innovating, conducting research and development, and exploring new formulations and evidence-based ingredients, and I am at the forefront of this scientific journey which is exciting and intellectually stimulating. Our company is also a certified B Corp, which signifies a commitment to social and environmental responsibility. Synergy prioritizes ethical sourcing, transparency, and sustainability, which aligns with my values and fosters a sense of pride.

WHAT PROJECT ARE YOU MOST EXCITED ABOUT?
I am excited that our lab is growing and that we are using technology to specialize our in-house testing. It is also exciting to think about process automation in the lab and potentially helping other companies. I enjoy lending my expertise in biochemistry and botany.

WHEN YOU ARE NOT WORKING, WHERE WILL WE FIND YOU?
When I'm not working, I usually head to the gym. You can also find me paddleboarding on the lake or along the Colorado River. I have a fondness for hiking and biking around Moab. At home, I find joy in writing, reading, and meditating. Occasionally, I'll go dancing or indulge in delicious meals with family and friends. Most Sundays, I attend Episcopal Church mass with my mom.

Emery Telcom Video a subsidiary of **Emery Telcom**

INSTALLATION & REPAIR/CONSTRUCTION TECHNICIAN

EMERY TELCOM VIDEO HAS A FULL-TIME POSITION OPEN FOR AN INSTALLATION AND CONSTRUCTION TECHNICIAN IN THE MOAB AREA.

The standard hours for this position are from 8:00 a.m. to 5:00 p.m. Monday through Friday. Some after-hours and weekend work will be required. This person will also help install, trouble shoot, and maintain telecommunications services and equipment at the customer's premise. This includes internet, TV, and phone services. This person will also market and sell telecommunication services to customers. This person may help with underground construction projects including burying conduit, drops, and mainline cable.

Essential Functions/Major Responsibilities:

- Responsible for all installation jobs as assigned each day
- Responsible for all trouble-shooting jobs as assigned each day
- Must be able to learn telecommunication technology
- Place outlets to feed individual TV/internet/phone locations at customer's premise
- Install equipment as needed (cable modems, set top boxes, etc.)
- Use step ladders and extension ladders to reach heights necessary for installing services. Heights may be upwards of 35 feet
- Responsible for all construction jobs as assigned each day
- Use appropriate construction equipment for projects
- Place aerial or underground drops to the customer's premises
- Place conduit and mainline cable to the customer's premises
- Locate underground cables as needed
- May need to operated underground construction equipment, bucket trucks, or other equipment as needed
- Must possess a valid driver's license and have a clean driving record. CDL preferred
- Pre-employment drug screen and background checks are required.

This position is a full-time position with benefits.

TO APPLY:
 Applicants must fill out an online application at <https://www.emerytelcom.com/community/employment.html>
 Resumes can be attached to the application or emailed to jobs@emerytelcom.com
 For questions please call 435-748-3144.

KZMU Spring Radiothon 2024: Hear Our Signal from the Book Cliffs to Bluff!

Spring is always an exciting time for KZMU Moab Community Radio, and this year is no different. It's time for our Spring membership drive, Radiothon. The time when we ask our amazing community of listeners in Grand County, Emery County, San Juan County, and around the world to reach deep in their pockets and give a little, or give a lot, to keep free form, grassroots radio alive and well in Southeastern Utah. For KZMU, the beat goes on...

Our goal this spring is to raise \$45,000, and we can only achieve this with YOUR support.

KZMU is in the first half of our 32nd year providing unique radio programming, volunteer opportunities, regional news, public services announcements, simulcasts from treasured community events, and so much more. While maintaining our usual offerings, KZMU is working hard to provide new, fresh elements of programming and to boost our community presence. We have a new radio signal in San Juan County, 90.7! This is big for us and for our community and now many more folks in SE Utah can tune in to KZMU over the air.

Local partnerships: for 32 years, KZMU has partnered with local agencies like Moab Music Festival, Moab Folk Festival, Back of Beyond Books, Moab Free Concert Series, and so many more. Through these partnerships, KZMU has been able to provide its members and listeners with simulcasts, free concerts, exclusive artists interviews, live in-studio performances, and so much more. We'll be simulcasting and slinging KZMU swag at the Family Skate Night with Skate Moab on Friday, April 26 from 6pm-8pm. Stop by, skate for free, and say hello or tune in on 90.7, 90.1, 106.7 or via our live stream on the website kzmu.org.

KZMU Sustainability Initiatives: The KZMU station and offices have been powered by the sun since 2008. Our 60-panel array generates more than our share of electrical power 6-7 months out of the year and has removed more than 272,000 pounds of Co2 emissions from the air.

Just the facts:

- We begin on Friday, April 19th and go through Saturday, April 28th.
- The Bright Orange KZMU Tent will be at the Spanish Trail Arena for Free Family Skate Night with Skate Moab from 6pm-8pm.
- We'll have all sorts of special programming and hijinx throughout the week, so check out our programming schedule on our website (kzmu.org)
- You can call in to donate (435) 259-5968, or visit our website: kzmu.org
- Our goal is \$45,000 for Spring Radiothon 2024!

As a way of saying THANK YOU for your contribution, KZMU offers a wide array of premiums to choose from. In addition to the items listed below, there are many unique premiums donated by the community and you'll have to listen to hear what we have.

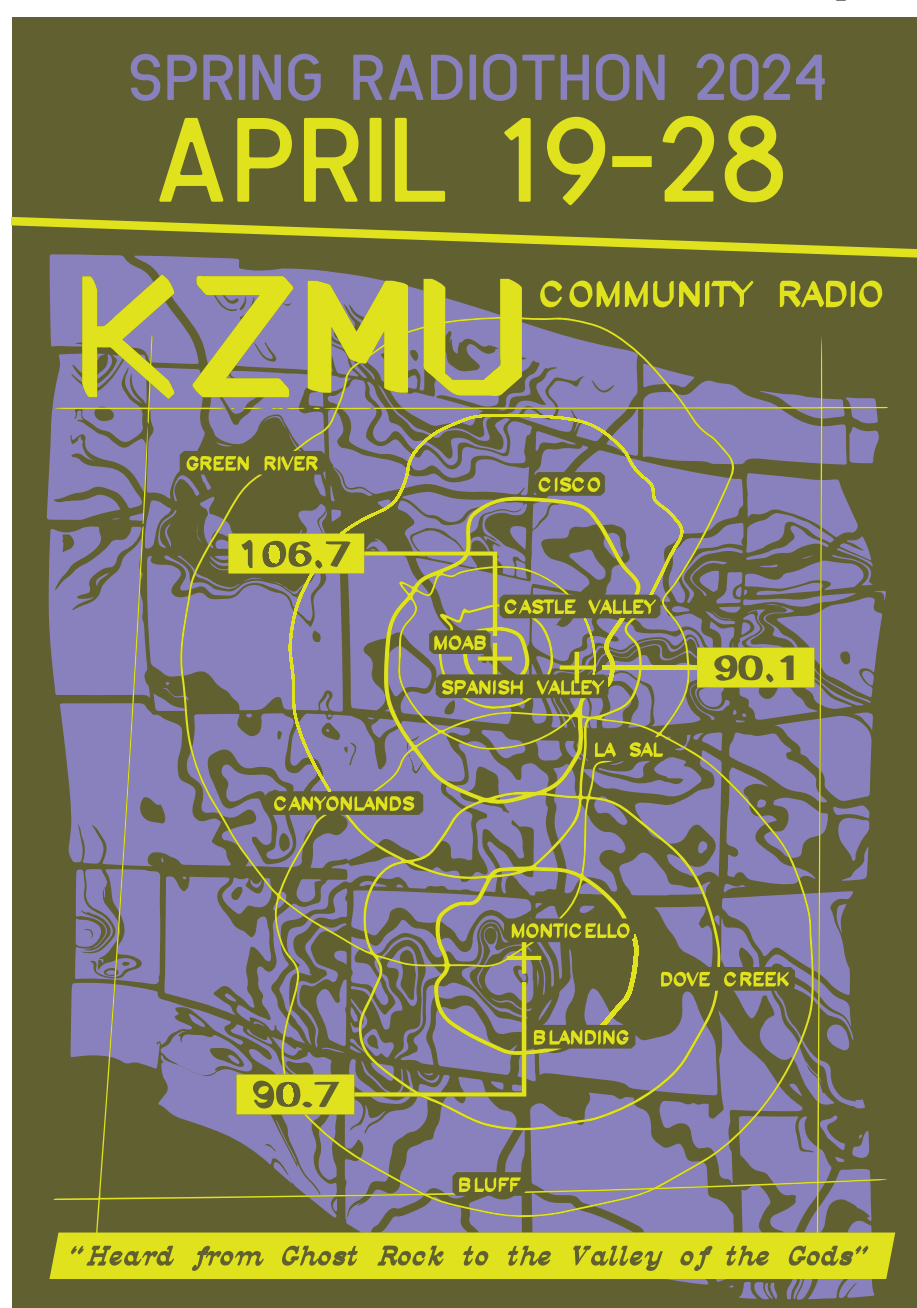

KZMU T-shirt - You will be able to choose from two different shirt colors, printed with the Spring Radiothon 2024 design, done by artist Danny Baxter (<https://dannybaxter.com>)

KZMU Tote Bag - The perfect alternative to a plastic bag during a quick run to the grocery store or coop. Financial supporters can choose a black canvas bag with the Spring Radiothon 2024 design screen printed.

KZMU Hat - Back by popular demand, we'll have two hat choices available for donors.

KZMU Socks - We're back with more classic KZMU socks! This year we have two new designs, one in bright green and another in maroon.

KZMU Stickers - As always, we'll have a variety of KZMU stickers from the archives, now, and some show-specific offerings as well!
