Bids will be publicly opened and read in the Grand County Commission Chambers on October 2, 2025 at 1:00pm. Grand County reserves the right to reject any or all bids, to waive informality in any bid, which in the opinion of Grand County shall best serve the interest of Grand County. It is requested that all bids be submitted electronically via the Utah Public Procurement Portal (U3P): <https://utah.bonfirehub.com>. Bids may alternatively be mailed or hand delivered to the Grand County Clerk/Auditor's Office at 125 East Center Street, Moab, Utah 84532. Scope of work: The project will consist of the construction of infrastructure, earthwork and roadways to serve approximately 116 future affordable housing units at the Arroyo Crossing community land trust subdivision. Specific project improvements include the excavation and construction of two roadways and installation of water, sewer, and irrigation mains, trenching and installation of electrical conduit, and a storm drainage system. The approximate project area is 4.8 acres. Gas utility is not proposed as part of this project. A copy of the Plans and Complete Bid Package is available electronically at grandcountyutah.gov/bids.aspx or moabclt.org/bidding. This project is partially funded through a Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG). The contractor will be required to comply with all federal labor standards and attendant laws, including the payment of the most current Davis-Bacon wages and compliance with Section 3 to provide employment opportunities of lower income persons. Local, minority and woman-owned business owners are encouraged to bid. The lowest responsible bidder will be selected.

Southeast Utah Health Department Announces First Measles Case in Grand County

Grand County, UT - The Southeast Utah Health Department (SEUHD) has confirmed a positive Measles case in Grand County. This is an unvaccinated individual under the age of 18 who was exposed to a positive case outside of Grand County. There are no exposures in Grand County Schools from this individual. Public health officials are actively conducting contact tracing to notify individuals who may have been exposed and to prevent further spread of the virus. Due to medical privacy laws, SEUHD will not be releasing any further information about this confirmed case.

Measles is a highly contagious disease, but outbreaks remain rare thanks to a highly effective vaccine. The Southeast Utah Health Department wants to reassure the community that immediate action is being taken to contain the situation.

Measles symptoms, which typically appear 7 to 14 days after exposure, can include:

- High fever
- Cough
- Runny nose
- Red, watery eyes
- A rash that starts on the face and spreads downward

Anyone experiencing these symptoms, especially if they are unvaccinated or have been in contact with a known case, should contact their healthcare provider. The best way to prevent measles is through vaccination. The MMR vaccine is safe and highly effective, providing lifelong protection for most individuals. Individuals who are unsure about their vaccination status should check their immunization records and consult their healthcare provider.

For more information on measles and to see time and places of potential exposure in Utah visit <https://epi.utah.gov/measles-response/>.

PEDESTRIAN SAFETY TEST PROJECT

UDOT and the City of Moab are testing the use of temporary rubber curb extensions (bulb-outs) to enhance pedestrian safety in downtown Moab.

PUBLIC FEEDBACK will help determine if permanent concrete bulb-outs should be installed.

HOW BULB-OUTS BENEFIT PEDESTRIANS AND DRIVERS SAFETY:

- Shorter crossing distances
- Encourage reduced vehicle speeds & turning speeds
- Discourage illegal parking near crosswalks

VISIBILITY:

- Pedestrians are closer to the travel lanes and more easily seen by approaching drivers

WALKABILITY:

- Additional space on the sidewalk for pedestrian waiting areas
- Create a more comfortable & safer space for pedestrians waiting to cross the street

NOTE: The **TEMPORARY RUBBER CURB EXTENSIONS** at Main and Center Street & Main and 100 North will be in place for approximately 2 to 3 months while data and public comments are collected.

If this temporary test project is successful, the City of Moab and UDOT will work together to seek funding for the installation of permanent concrete bulb-outs.

Permanent bulb-outs would be similar in appearance to those already at some intersections in downtown Moab.

Permanent curb extensions currently installed at an intersection on 100 North in Moab.

YOUR FEEDBACK IS IMPORTANT.

FRODO

is a 2 month old Tabby kitten. He has a friendly spirit and enjoys playing with the other kittens here at the shelter. Frodo is looking for someone to bring him into a home he can call his own. Meet this little guy at the Moab Animal Shelter. ♥

DUKE

Hello folks, my name is Duke and I am a young male boxer mix pup. I still have some growing to do but gosh darn I am cute. I already know some tricks and have started working on leash training. I can't wait to start exploring with our volunteers. I have great manners, being polite with the other shelter dogs and with human visitors is something I am very proud of. I like ear scratches, hugs, and tasty treats. Please come visit me and my friend Rusty at the Moab Animal Shelter. ♥

WILLOW

Hello all. I would like to introduce you to Willow. She is an adult, female Brittany Spaniel mix. Willow was abandoned by a person passing through town. She is adjusting well from this experience and is already hanging out with Duke (fellow shelter dog) without issues. Willow just got a needed hygiene shave and bath from her shelter mom. She really enjoys a good scratch and belly rub. Willow knows some basic commands but is new to leash walks. ♥

CHARLY

is a two year old female medium size mix breed with a unique corked screw tail that stands out. She is smart and loving toward the shelter folks. She is easy going and prefers other easy going dogs but needs some time with high energy ones. Charly is working on leash manners and is getting better with each walk she goes on. This is her second time in a shelter situation. Her owner adopted her from a shelter and brought her to us because she just couldn't give her the attention she needed and wanted more for her. ♥

Meet Rosemary, a 5 month old female DSH Black kitten. This little kitty loves cozy cuddles and lazy lounging with her litter mates Parsley and Sage. Come meet them all at the Moab Animal Shelter. ♥

BRAD PITY

Introducing Brad Pity, an adult male Pit Bull Terrier. Brad Pity has had an easy transition at the shelter. He gets along with most groups and is gentle when interacting with others. He loves to carry around a toy at all times. Brad is a larger dog but does have manners. I think there was a loving family or human in his past life. Please come down to visit with him and his friends. ♥

LOUISE

Meet Louise - an adorable fluffy 9 week old tabby kitten. This sweet kitten is always curious and full of energy. Louise loves to play, explore and learn new kitten skills with the other shelter kittens. If you're looking for a kitty with lots of love to share, come see Louise at the Moab Animal Shelter ♥

SADIE

Hello folks, my name is Sadie. I am a lady that likes a slow-paced lifestyle. I would consider myself a small breed Mini Pinscher mix. I am a full figure gal that would love some walks to get my weight down. I am over the puppy stage and I am in the prime of my life. I get along with the other small shelter dogs and like to ham it up for the shelter folks. ♥

SNICKERS

is a gray and brown female tabby. She is approximately 10 years of age. She likes to hang out in her kennel and watch the other shelter kitties play. Snickers loves some good rubs and scratches. She is exceptionally large with wise eyes that always seem to be observing all the goings on around her. Stop by the Moab Animal Shelter to meet Snickers. ♥
