Grand County Commission, District 1

A Voice for Rural Grand County

I grew up in a hard-working logging family and I know how difficult it is for most families in Grand County to get by. As an educator for over 30 years, a County resident for 23 years, and an avid hunter, climber, and backcountry advocate, I work hard to be a positive, effective defender of our rural communities. There is more work to do, and I am focused on finding solutions that really serve our residents.
