56 East 100 South

**THE BUREAU OF LAND MANAGEMENT** has opened a 30-day public comment period to receive public input on plans to include 58 oil and gas parcels totaling 71,587 acres in Utah in a March 2026 sale. The comment period ends Jan. 2, 2026.

The BLM completed scoping on these parcels in October 2025 and is now seeking public comment on the parcels, potential deferrals, and the related environmental analysis. The BLM will use input from the public to help complete its review of each parcel.

Leasing is the first step in the process to develop federal oil and gas resources. Before development operations can begin, an operator must submit an application for permit to drill detailing development plans. The BLM reviews applications for permits to drill, posts them for public review, conducts an environmental analysis and coordinates with state partners and stakeholders.

All parcels that are included in a federal oil and gas lease sale include appropriate stipulations to protect important natural resources. Information on current and upcoming BLM leases is available through the National Fluid Lease Sale System. BLM lease sales are held online through EnergyNet. The parcels BLM is analyzing, as well as maps and instructions on how to comment, are available on the BLM's ePlanning website at: <https://eplanning.blm.gov/eplanning-ui/project/2040647/510>

**BESSIE**

My name is Bessie and I am the new cattle dog at the animal shelter. It's kinda like a ranch up here on the hill. I fit in pretty well, and the folks up here take me on hikes and give me treats for just being cute. I am a young adult girl with gray and black coloring. I am learning to walk on a leash but do my best on the trails. I am not what you would call an alpha dog, I prefer to just hang out with the others and go with the flow. I get really excited when people come to visit. Oh, I am not much of a talker. I would rather get your attention with my fancy dancing. ♥

**LILLIAN**

Lillian is a long hair, female gray tabby kitten. She is around 3 to 4 months old. Little Lil will cuddle with you for hours. She is still very shy but trusting with being held and loved on. She is litter trained and loves her dry food. Meet Lillian at the Moab Animal Shelter. ♥

**CLEO**

An adult female tabby that is a calming presence to all. She has kind eyes and tries to connect in her own way to the shelter staff. If you are having a stressful day, take time out to come into the shelter and take in the love she will give you. ♥

**TINY TIM**

My name is Tiny Tim. I am a little orange male kitten. My two brothers and I found a young girl that took us in. She was so nice and found us a warm home at the shelter. My brothers have been adopted and now I dream of my own forever home near a warm fire with tasty treats to call my own. ♥

**OLIVER**

Welcome Oliver, an adult male orange tabby. He is very affectionate with visitors but would do best to be the only cat. Oliver has had a loving home but his family had to move and he was brought to the shelter. Help us find Oliver a home for the holidays. ♥

**COSMO**

Cosmo, an older, female tuxedo with coloring around her nose that reminds visitors of a Raggedy Ann doll. She is coming out of her shyness with each day she is at the shelter. Cosmo will lean into any love scratches that she receives. She is a very mellow cat and would be content to lay in the sunlight from a window while you catch up on emails or a good book. ♥

**CHARLIE**

Meet Charlie, a white and gray mixed breed (three to four month old) puppy. He came into the shelter needing some TLC but has been a happy boy through it all. Charlie is good with the adult dogs at the shelter and races to get some love from the staff. He will need training but he already has all A's in good behavior. Come get some puppy love from this Cutie. ♥

**OJOS**

Ojos came to the shelter by a concerned Moabite. Ojos is an adult male cattle dog mix. His piercing blue eyes reach all those that connect with him. He is most likely four years of age. Ojos is about as low key as it gets. He gets along with other dogs and is always watching the shelter folks. He has gotten big praises about his walking manners. Come take him out for the day. ♥

**HAZEL**

Meet Hazel, a larger mixed breed adult dog. Ms Hazel is almost seven years old and has found herself at the shelter for the holidays. Hazel has had a lot of training and will show her skills once you win her over. She is new to the shelter and is slowly gaining the trust of the staff. Hazel just wants a new home, a soft bed and an adoring human of her own. ♥
