However, we understand that circumstances can change and will gladly accept returns because we want every pet to have a safe, healthy, happy life and a forever home.

#### SAGE

We have two older cats that are litter mates and in need of a kind home. Sage is a spayed female eight years old. She is sweet and very attached to her brother. Currently because of her previous situation, she is very shy and spends her time snuggling with her brother Royal. Because they are such a bonded pair, we are looking for a forever home where they can be together as they have been all their lives. If you have room in your home and heart for two wonderful cats, please call the animal shelter for an appointment to meet Sage and her brother Royal.

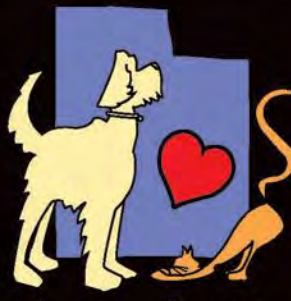

#### WHISKERS

This is a wonderful cat. Whiskers is so loving and sweet and obviously has been around people. She is shy and needs someone who understands how well a cat will react to just a soft voice. Whiskers is ~8 months old and would love a forever home. Call the Animal Shelter to schedule an appointment to meet and get to know this very special fur baby. ❤️

#### ROYAL

Royal is a neutered male and Sage's litter mate. His most incredible feature is his striking blue eyes. He and Sage are a bonded pair, eight years old, and would do best in a new home where they can be adopted together. Royal is sweet and loving. He interacts well with people and wants a lot of pets to his head. If you would like to meet Royal and his sister Sage, please call the animal shelter at 435-259-0119 for an appointment. ❤️

#### GROUCHO

Groucho came to the Animal Shelter as a stray. His name is to recognize his mustache not his personality. This 2-3 year old neutered male is loving and enjoys the company of people and other cats. He is a handsome boy and would love a forever home for the New Year. If you would like to meet Groucho, please call the Animal Shelter (435-259-0199) and make an appointment to meet him. ❤️

## DETÉN EL CICLO

Cada año, en Estados Unidos, más de un millón de mascotas no deseadas son sacrificadas en refugios porque no tienen hogar.

## ESTERILIZA O CASTRA HOY

Creemos que todas las mascotas deben tener un hogar para siempre. Gracias a nuestros esfuerzos, Moab ha sido designada como una comunidad en la que no se matan mascotas desde el año 2003. Por favor, esterilice o castré a sus mascotas para evitar la propagación de animales no deseados y así podamos seguir siendo una comunidad que no mata mascotas no deseadas.

La Sociedad Protectora de Animales de Moab ofrece clínicas de esterilización y castración con descuentos durante todo el año. Por favor, llámenos para que podamos ayudarlo a usted y a sus mascotas.
