ad courtesy of The Ad-Vertiser

School Happenings

ad courtesy of Moab Happenings

Gov. Gary R. Herbert, State Superintendent Syd Dickson, and Acting Commissioner of Technical Education Jared Haines announced on Monday, March 23, 2020 that all Utah's K-12 public schools will extend their dismissal through Friday, May 1st, and that Utah's technical colleges will suspend teaching from Monday, March 30 until Friday, May 1. These entities will continue to evaluate the situation to make a determination about the remaining school year. Additional information from the state can be found at <https://coronavirus.utah.gov/public-schools-technical-colleges-dismissed-until-may-1/>.

Gov. Herbert expressed his appreciation to the educators throughout our state who have quickly adapted their instruction to remote learning platforms.

Distance learning will continue during the extended dismissal for all K-12 public schools, where feasible. Employees will be limited at school buildings, following the Governor's and CDC's guidelines to avoid gatherings of groups of ten or more. Teachers are being, and will continue to be, encouraged to telecommute when possible.

Meal services at K-12 public schools will also continue. See grandschools.org for details on delivery times and locations.

In addition, all of Utah's technical colleges will temporarily cease instruction and coursework beginning Monday, March 30th through Friday, May 1st. Utah's higher education campuses have previously moved to strictly online instruction; however, given the unique nature of technical college coursework with hands-on instruction and open-entry scheduling, continuing in an online-only model is not widely feasible for students at this time.

Students currently enrolled in technical college programs will retain their progress toward completion during this pause. In addition, college presidents have discretion to address limited exceptions for delivering coursework online or for individuals or small groups of students nearing completion, following the guidelines provided by the CDC and for which instructional equipment can be properly sterilized. Colleges will provide further guidance to their employees.

"I appreciate the willingness of our UTech instructors and programs to be flexible through this time of disruption," Interim Commissioner Jared Haines said, "We are invested in the quality of our instruction and want technical college students to have the knowledge and skills needed to be successful in industry. This requires hands-on labs and assessments that we are unable to safely administer at this time. Students will be able to seamlessly resume their progress toward completion as soon as possible."

The COVID-19 Task Force, Utah Department of Health, and Governor Herbert will continue to monitor and assess the risks, and respond accordingly in conjunction with Utah's school officials. All of our schools play an important role in protecting our communities from the growing spread of coronavirus/COVID-19.

Road Happenings

US 191 from 400 North to Colorado River Bridge is scheduled to begin construction on March 23rd.
Expect to see some new speed limit signs posted before then....

PROJECT OVERVIEW

The Utah Department of Transportation (UDOT) awarded a 20.5 million-dollar construction contract to reconstruct the existing roadway on US 191 from Milepost 126.11 to Milepost 128.03 to accommodate five lanes of traffic, two thru lanes in each direction with a two way left turn lane and 6-foot shoulders.

For most of the project, there will be a center turn lane. Where UDOT cannot provide a center turn lane, there will be two lanes in each direction with a painted double yellow line separating traffic. The project will add curb, gutter and sidewalk on the west side of US-191 from Motel 6 to the Colorado River Bridge. In addition, UDOT will partner with Moab City to construct a Storm Water Waste System to address storm water from rain events starting at Stewart Canyon area, above Cermak Drive. The system will collect storm water from Stewart Canyon, US-191 and adjacent properties, depositing the water in a collection pond west of the intersection at 500 West and US-191.

Project construction updates and avenues for submitting public inquiry can be viewed at www.udot.utah.gov/go/moabnorthmain

3/20/2020 To our valued customers, as we continue to provide essential waste and recycle collection services to our community we would ask that you please follow these simple, but important guidelines.

- * Please bag all trash, we do not want to unnecessarily expose our route personnel to loose trash
- * Place all trash in our dedicated Trash Cart or your Customer Provided Trash Can if possible, this helps our route personnel by limiting the amount of trash/waste they come into contact with, containerized waste drastically reduces our contact & helps reduce exposure to everyone, including you
- * Pay extra attention to what you place in your Recycle Cart for collection. Our route drivers screen and clean our recyclables as they perform collection services and must pull out contamination items by hand, we would like to minimize their exposure of handling loose materials as much as possible
- * Minimize contact with our route personnel and please maintain a safe distance for your own protection as well as ours

We appreciate your understanding and will work diligently to continue with our important collection services, but we need everyone's help in keeping our employees safe and healthy

Thank you,

Dan & Bonnie Kirkpatrick

COMMUNITY NOTE
DOES FOOD CONTROL YOUR LIFE? Do you overeat, binge, purge, or starve, even if you don't want to? There is a solution, Overeaters Anonymous - OA. OA is modeled after 12 step recovery programs and seeks to provide relief from food/body/weight issues. There is an open (anyone may attend) meeting on Monday nights at the Castle Valley Library located at 2 Castle Valley Dr from 6:30-7:30pm every Monday. Please call Laurie at 435-259-8994 or Carrie at 435-260-2661 with any question. TF

LOVE is in the air, but so is the flu. WASH YOUR HANDS.

DON'T let the ugly in others kill the beauty in you.

DO what you have to do until you can do what you want to do.

Help prevent the
spread of diseases
like the flu and
COVID-19 by:

Moab Regional Hospital has a new 24/7 Coronavirus Hotline, 435.719.3998, that you can call if you are experiencing mild to moderate flu-like symptoms (fever, cough, trouble breathing);

- AND you have recently traveled to a high-risk area that is experiencing widespread transmission of COVID-19 (i.e. Iran, Italy, Japan, South Korea, China, State of Washington);
- OR been around anyone known to have COVID-19.

If you are experiencing severe flu-like symptoms (i.e. difficulty breathing), please go to the Emergency Department – PLEASE CALL BEFORE YOU ARRIVE, 435-719-3998.

IF YOU had \$86,400 and someone stole \$60, would you throw away \$86,340 for revenge? Or move on and live? Each of us have 86,400 seconds every day. Don't let someone's negative 60 seconds ruin the remaining 86,340. Life is bigger than that and so are you.

I ASK THAT all of you celebrate my life and everything I stand for. I ask that you do everything in your power to share my mission, what I put my entire life on the line for. To reveal to this world what they are capable of, by showing them the confidence and abilities they already possess. -Jessi Combs

COMMUNITY NOTE IF YOU need newspaper for moving, paper mache, fireplaces, etc...please come by the Ad-Vertiser at 56 East 300 South. We have plenty of old copies for you to use. PLEASE don't take handfuls from the local businesses. Thank you.

COMMUNITY NOTE
Who knows where things will be when this goes to press. I have volunteered to coordinate a Community Service Team. My building "Bierschied Building" is closed to the public. So I can, if needed, collect and distribute necessary supplies. More important thing to remember is you will not get sick if you do not come in contact with the virus. So limit your public interaction and stay home as much as possible.

ARE YOU LOOKING for a career or job change?? Redtail Air is hiring for their line position. Must be at least 19 yrs old, outdoors, aviation fueler with customer service experience and some mechanical experience. \$14 to \$17/hr. Need drivers licences and pass background check plus drug test. If interested email or call Andrea, andrea@flyredtail.com or 435-259-7421.

IT'S okay to talk to yourself, it's even okay to answer yourself... But when you ask yourself to repeat what you just said - you have a problem.

COMMUNITY notes in The Ad-Vertiser are for non-profit community announcements, meeting times, non-profit fund raising, etc. They are run on a "space available" basis with the first 30 words free. E-mailed to: info@moabadvertiser.com

COMMUNITY NOTE
GRAND COUNTY and San Juan County Utah residents: Showcase your property as a film location. The Moab to Monument Valley Film Commission receives location requests daily from the entertainment industry. These requests range from feature films, television movies, commercials, music videos, corporate media and still photography shoots. If you have an interest in listing your home, business or property on our online location database, see our website for details: filmmoab.com

"FOR SALE BY OWNER" advertise in the Ad-Vertiser. Classified ads and display ads available. www.moabadvertiser.com, phone: 435-259-8165, fax: 435-259-6918, 56 East 300 South.

COMMUNITY NOTE
Dear grantseekers-- Due to the danger of spreading the COVID-19 coronavirus, the computer labs at USU are available only to USU students and personnel. This means access to the Foundation Directory Online and Foundation Grants to Individuals is not available until further notice. I'm sorry to bear this news. In the meantime, you can search websites of individual foundations and find helpful (free) tools at grantspace.org. I'll keep you posted about when our access will be restored. Thanks for your understanding and be safe! Eve.

BOARD OF HEALTH
IN AND FOR SOUTHEAST UTAH HEALTH DEPARTMENT
(CARBON COUNTY, EMERY COUNTY, GRAND COUNTY), STATE OF UTAH

In the matter of:

COVID-19 Pandemic within Utah

PUBLIC HEALTH ORDER

Order No.:

SEUHD2020-02

Date:

March 16, 2020

Legal Authority:

Utah Code §26A-1-114

On January 21, 2020, the Utah Department of Health (“UDOH”) activated its Department Operations Center in response to the evolving COVID-19 global pandemic. The UDOH recognizes COVID-19 as an imminent threat to the health and safety of the residents of the State of Utah (“Utah”). The UDOH, local health departments, and health and medical partners have activated response plans and protocols to minimize the likely community spread of the virus in Utah and its impact on our healthcare resources. These partners have also worked to identify, contact, and test others in Utah potentially exposed to COVID-19 in coordination with the United States Centers for Disease Control and Prevention (“CDC”).

On January 31, 2020, the United States Department of Health and Human Services Secretary Alex Azar declared a public health emergency for COVID-19, beginning on January 27, 2020 and on March 16, 2020, the White House issued recommendations limiting public gatherings to 10 people for the next 15 days.

The CDC has identified the potential public health threat posed by COVID-19 both globally and in the United States as “high,” and has advised that person-to-person spread of COVID-19 will continue to occur globally, including within the United States.

As of March 16, 2020, the CDC indicates that there are over 160,000 confirmed cases of COVID-19 worldwide with over 3,000 of those cases in the United States, including 39 in Utah.

The UDOH recognizes that confirmed community transmission in the United States significantly increases the risk of exposure and infection to the general public within Utah, which creates an extreme public health risk that may spread quickly.

To combat the spread of COVID-19, Utah and various counties and local health departments have each declared local public health emergencies.

The Southeast Utah Health Department (“SEUHD”) Health Officer has found that the above facts, in combination with the tourist nature of Grand County, raise the likelihood of widespread transmission occurring among the general public and the need for the three counties within the jurisdiction of the SEUHD and the public to work cooperatively and proactively to slow the spread of COVID-19 and address any challenges that may arise due to disease transmission and treatment within the SEUHD.

On March 13, 2020 at 4 pm (MST), the Governor dismissed all Utah public schools for two weeks to combat the spread of COVID-19 (the “School Dismissal”). The School Dismissal means that students will not be allowed to attend school, but staff, faculty, and food services personnel will be allowed to be in the school facility.

On March 14, 2020 at 10 am (MST), the Summit County Health Officer and the UDOH State Epidemiologist announced “a new case of COVID-19 that is the first instance of community spread of the disease in Utah. Community spread means spread of an illness for which the source of infection is unknown. In the Summit County case, the patient had no history of travel and no known contact with any person who has been confirmed to have COVID-19 (the “Community Spread”). On March 14, 2020, Deer Valley Resort, Park City Mountain Resort, Park City Resort at the Canyons Village, and Woodward Park City, announced that they would voluntarily suspend operations.

On March 16, 2020, the SEUHD Health Officer declared a Local Public Health Emergency concerning COVID-19.

Utah Code §26A-1-114(1) empowers the local health department to:

...

(b) establish, maintain, and enforce isolation and quarantine, and exercise physical control over property and over individuals as the local health department finds necessary for the protection of the public health;

...

(d) establish and operate reasonable health programs and measures not in conflict with state law which are necessary or desirable for the promotion or protection of the public health and the control of disease; or may be necessary to ameliorate the major risk factors associated with the major causes of injury, sickness, death, and disability in the state; and

...

(e) close theatres, schools, and other public places and prohibit gatherings of people when necessary to protect the public health.

Further, Utah Code §26A-1-114(2)(a) requires the local health department to “establish programs or measures to promote and protect the health and general wellness of the people within the boundaries of the local health department.”

Given the fact that areas within the area are prominent tourist destinations for domestic and international travelers, and have remained prominent destinations during the period of the public health emergency through the present date, and given the heightened risk of further Community Spread through public contacts among visitors, locals, and the service providers in close contact where people gather, with many such contacts having likely occurred, and in consideration of the fact that the healthcare facilities in the area do not have the resources to treat the number of severe cases that could potentially enter the area through visitors, the SEUHD Health Officer has determined that the closure of a wide variety of venues and facilities where members of the public congregate within the SEUHD is critical to minimize Community Spread and to soften the demand curve likely to be placed on healthcare systems, facilities, supplies, and providers in Carbon County, Emery County, and Grand County.

THEREFORE, PURSUANT TO UTAH CODE §26A-1-114 BE IT HEREBY ORDERED BY BRADON C. BRADFORD, MSPH, MPA, REHS, SOUTHEAST UTAH HEALTH DEPARTMENT HEALTH OFFICER, AS FOLLOWS:

Section 1. Restaurants, Bars, and Taverns. Effective at 10 pm (MST) on March 17, 2020, all restaurants, cafes, coffee/tea shops, employee cafeterias, self-serve buffets, salad bars, unpackaged self-serve food services, banquet halls and facilities, supper clubs, bars, pubs, taverns, nightclubs, private liquor clubs, saloons and any other commercial establishments offering dine-in facilities in Carbon, Emery, and Grand Counties shall immediately close to members, guests, patrons, customers, and the general public. Notwithstanding the foregoing, restaurants may operate on a limited basis subject to the following operational restrictions and prohibitions, so long as the restaurant notifies the SEUHD (the “Health Department”) that it intends to operate on a limited basis hereunder and executes a memorandum of understanding with the Health Department:

- Prohibition on all dine-in food service, whether inside or outside the establishment, and prohibition of admitting members, guests, patrons, and customers inside the establishment.
- Curbside take-out or drive-thru food service is permitted. Counter service may be permitted in a convenience store provided the convenience store serves one customer at

a time and the counter is sanitized in between transactions. Cash payments are strongly discouraged. Staff who take cash or credit card payments shall use cleansing measures between each transaction, including using any best practices issued by the Health Department. Where possible, on-line (e.g.; Venmo, Squarecash, Googlepay, and similar payment apps) and telephonic credit card transactions

are highly encouraged. Staff who handle cash or credit cards shall not be involved in the preparation, handling, or delivery of food.

- Employees must take food items to the curb and give the items to members, guests, patrons, and customers through the car window.
- For hotel restaurants, food items may only be delivered as room service or curbside service as described above.
- Third party food delivery services (i.e. Uber Eats, Door Dash, etc.) are required to observe “no contact delivery” which means these services cannot have person to person contact. All employees of such services must not engage in any delivery services if they present any symptoms of illness (fever, cough, shortness of breath).
- Management shall and must ensure, on a daily basis, that no employee who presents symptoms of illness will be permitted to work.

Due to the evolving situation with the potential spread of the COVID-19 virus, violations of these operational restrictions shall result in the immediate closure of individual businesses and establishments to all business activity. Businesses found to be in violation will not be re-opened pending a rescission of this and any subsequent Public Health Order with respect to COVID-19.

Section 2. Movie, Cinematic, and Live Performance Theatres and Venues. Effective at 10 p.m. (MST) on March 17, 2020, all movie, cinematic, and live performance theatres, and all dance clubs, music clubs, discotheques, and performance venues in Carbon, Emery, and Grand Counties, shall be closed to members, guests, patrons, and the general public.

Section 3. Overnight Lodging. Effective at 10 pm (MST) on March 17, 2020, all overnight and short-term lodging facilities (including but not limited to hotels, motels, condos, townhomes, guest homes, RV parks, and all camping on public or private lands) within Carbon, Emery, and Grand Counties may only check-in, rent, or lease to Essential Visitors and Primary Residents.

Essential Visitors and Primary Residents may utilize public lands for primitive camping purposes. No camp shall be located within 200 yards of another camp and no camp shall consist of more than 10 people. An Essential Visitor is any individual renting lodging or camping for an amount of time less than 30 days for the purposes of work within Carbon, Emery, and Grand Counties, or for an employer within the boundaries of Carbon, Emery, and Grand Counties, and their spouse and dependents. Primary Residents are any individuals renting lodging for periods of 30 days or greater or whose primary address is within one of the counties. All communal pools, hot tubs, locker rooms, saunas, steam rooms, fitness centers, gyms, and spas shall be closed to members, guests, patrons, and the general public. For the purposes of this order, the term “communal” applies to all overnight and short-term lodging facilities. For Essential Visitors and Primary Residents, management shall implement social distancing measures in lobbies and communal areas of an establishment, including lines for front desk and concierge, and cleansing measures between each transaction for staff who have to handle cash and credit cards a check-in. Management shall post signage approved by the CDC which advises members, guests and patrons of COVID-19 protocols.

Section 4. Public Gathering Places. Effective at 10 pm (MST) on March 17, 2020, all museums, gyms, exercise studios, spas, fitness centers, health clubs, indoor recreational facilities, and all entertainment venues, including without limitation music performance venues, live stage performances, and lectures, located within Carbon, Emery, and Grand Counties shall be closed to members, guests, patrons, and the general public. Churches, and private clubs and lodges that do not sell or serve alcohol or food during the duration of this order, are exempt from this order. For the purposes of this Order, a private club or lodge shall be deemed to be any organization that sets its own terms of admittance into membership and access into club facilities. Churches and private clubs are encouraged to limit and restrict their functions and the gatherings of their members to adhere to this Order.

Section 5. General Protocols for All Businesses. Effective immediately, all commercial establishments shall comply with the following regulations:

- Implement social distancing (six feet) measures in communal areas of the establishment.
- Staff who have to take cash or credit cards are encouraged to use cleansing measures, including best practices issued by the CDC, between transactions. Cash transactions are discouraged, but not prohibited.
- Management must ensure, on a daily basis, that no employee who presents symptoms of illness will be permitted to work.
- Members, guests, patrons, or customers who present symptoms of illness shall be excluded from the establishment.
- Management shall post signage approved by the CDC which advises patrons of COVID-19 protocols.

Section 6. Mass Gathering Permits. The SEUHD shall not approve any new mass gathering permits for the duration of this Order.

Section 7. General Prohibitions. Effective immediately, the following prohibitions shall apply throughout Carbon, Emery, and Grand Counties:

- No public gatherings over ten (10) people shall be held. Weddings, funerals, wakes, viewings and events sponsored by churches and private clubs which do not sell or serve alcohol or food shall be exempted from this Order.
- Access to long-term care facilities shall be governed by the guidance issued by the Centers for Medicare & Medicaid Services, Center for Clinical Standards and Quality.

Section 8. Duration. This Order shall expire in thirty (30) days unless renewed or terminated early. The SEUHD Health Officer shall re-evaluate this Order in fourteen (14) calendar days.

Section 9. Travel Advisory. Effective beginning Tuesday, March 17, 2020, SEUHD is strongly advising all residents of Carbon, Emery, and Grand counties to strongly reconsider any recreational, leisure, or non-essential work-related travel that will take them outside of our communities. This advisory is an effort to slow the spread of COVID-19 throughout the stat-e and decrease its impact on our local population.

Although we currently have no confirmed cases of COVID-19 in SEUHD’s jurisdiction, with cases continuing to be identified throughout the state (39 cases statewide as of Monday, March 16, 2020) as well as cases identified in Colorado and Wyoming, Carbon, Emery, and Grand Counties are surrounded by virus activity. Additionally, SEUHD requests that visitors that are not here on essential business return to their home and non-essential visitors planning to come to Carbon, Emery, and Grand counties reconsider their plans and remain near their home.

Section 10. Publication. This Order shall be on file for public inspection with the SEUHD.

Section 11. Appeal. This Order may be appealed in writing to the SEUHD within ten (10) calendar days of its Effective Date.

Section 12. Violations. An initial violation of this Order is punishable as a Class B Misdemeanor. Subsequent violations are punishable as Class A Misdemeanors. Each day of violation constitutes a separate offense (Utah Code §26A-1-123(1)(a)).

Effective Date: March 17, 2020

BY ORDER OF THE SOUTHEAST UTAH HEALTH DEPARTMENT HEALTH OFFICER

Bradon C. Bradford/MSPH, MPA, REHS
SEUHD Health Officer

Approved as to Form:

Christian Bryner
SEUHD Attorney

TODDLER TROUBLES? STRUGGLING WITH TODDLER behaviors? Toddlers are challenging, however please check for other issues such as hearing loss, vision difficulties, dental, or developmental problems. Early intervention 435-259-1114 offers free screening for children birth-age 3. Call today!

WRONG is wrong even if everyone is doing it. Right is right even if no one is doing it.

COMMUNITY NOTE
Dear grantseekers-- Due to the danger of spreading the COVID-19 coronavirus, the computer labs at USU are available only to USU students and personnel. This means access to the Foundation Directory Online and Foundation Grants to Individuals is not available until further notice. I'm sorry to bear this news. In the meantime, you can search websites of individual foundations and find helpful (free) tools at grantspace.org. I'll keep you posted about when our access will be restored. Thanks for your understanding and be safe! Eve.

COME shop local @ the Moab Mailing Center. We have great gifts your loved ones are sure to enjoy!

COMMUNITY NOTE
Who knows where things will be when this goes to press. I have volunteered to coordinate a Community Service Team. My building "Bierschied Building" is closed to the public. So I can, if needed, collect and distribute necessary supplies. More important thing to remember is you will not get sick if you do not come in contact with the virus. So limit your public interaction and stay home as much as possible.

WHAT IS the only true comfort in life and death? How can we know this comfort? Call 970-403-5773 to talk, chat, or have us send you a link to a video (historic Christian perspective).

NEVER underestimate the power of a sloppy kiss and a wet nose on a bad day.

Business Service Technician

Emery Telcom Video has a full-time position open for a Business Service Technician in the Moab, Monticello, and Blanding area. The standard hours for this position are from 8:00 a.m. to 5:00 p.m. Monday through Friday. Some after-hours and weekend work will be required. This person will install, troubleshoot, and maintain phone, internet, and video services and equipment at the business customer's premise. This person will also help with computer and networking services for business customers.

Essential Functions/Major Responsibilities:

- Install and configure network switches and small business routers
- Install and configure business telephone systems and wireless networking equipment
- Install and troubleshoot customer computers, printers, and software
- Install Cat5e and RG-6 wiring and connectors
- Must be able to learn telecommunications technology and practices
- Report to work on time each day
- Responsible for all installation jobs as assigned each day
- Responsible for all troubleshooting jobs as assigned each day
- Place aerial or underground service lines to the customer's premises
- Place individual service outlets to feed individual TV/internet/phone locations at customer's premise
- Install equipment as needed (cable modems, set top boxes, etc.)
- Use step ladders and extension ladders to reach heights necessary for installing service lines. Heights may be upwards of 35 feet.
- Must possess a valid driver's license and have a clean driving record.
- Pre-employment drug screen and background checks are required.

To Apply: Fill out an online application at www.emerytelcom.com, or email a resume to jobs@emerytelcom.com, or call 435-748-3144.

Our available pets are neutered, vaccinated, well socialized & are custom-matched with the best family or individual.

However, we understand that circumstances can change and will gladly accept returns because we want every pet to have a safe, healthy, happy life and a forever home.

CHILLY

If you are looking for a family dog who is great with kids, please come by the Animal Shelter and meet Chilly. He is a large mixed breed neutered canine about 1-2 years of age. This pooch is personality plus--friendly and fun loving. Chilly knows basic commands and walks well on a leash. He is looking for a family who will love him as much as he will love them back. ❤️

ADOPTED

KITTERKAT

Kitterkat is a sweet DSH black and white female cat with big green eyes. Her owner recently passed away and Kitterkat now lives at the shelter and is adjusting well. She has lived with a dog and they would often cuddle together and seems to get along well with the other cats. Kitterkat hopes that one day she will have a new home and family to love again. ❤️

ADOPTED

SMOKEY

is beyond sweet. She has the nicest personality and wants nothing more from life than a good home with people who love her. Smokey is about 1.5 years of age and is spayed. If you are looking to share your home with a purring bundle of fur, come by the Animal Shelter and meet Smokey. It will be love at first sight. ❤️

JOE

Joe is a 1-2 year old neutered male foxhound. Joe is a wonderful dog who loves to play but is still "puppy anxious" so he will need someone who will be able to invest time to train him. He can be slow to warm up to people but is not aggressive and will be a very loyal companion. Please come by the Animal Shelter and meet Joe. ❤️

WE HAVE A

WONDERFUL SELECTION OF FRIENDLY FELINES

You can see available cats online at moabpets.org or stop by the shelter!

COPPER

I would love a home of my own. I am a 3 year old female tabby. I love people and love getting rubbed. I also love my window perch. I get along with all the other cats that come through the shelter. Won't you come visit with me and adopt me. ❤️

SKETCHER

Sketcher-Serious? You bet - seriously in need of a forever home. My shelter name is Skecher and I used to be a stray but now I'm neutered and ready to gaze out at the desert landscape with you. Skecher is a young, active dog ready for the desert and mountains and the Moab lifestyle. Skecher is Pit Bull mixed with something much lighter - your guess is as good as ours. Skecher is great with other dogs (loves to play) and friendly with folks. ❤️

SALLY

Sally has come to the Animal Shelter after her person passed away. She is a wonderful 9 year old Chocolate Lab mix who is spayed. Sally is super friendly and was a wonderful companion to her family. Easy going and happy, Sally is looking for a forever home with a person she can shower with doggy love. ❤️
