PROPOSITION 8

Frequently Asked Questions

1

ABOUT THE PROPOSITION 8 BALLOT QUESTION:
Proposition 8, if approved by City voters, would authorize a 0.1% sales
tax, which equals 1 penny for every \$10 spent. The tax does not apply to
groceries or gasoline. Anyone shopping in Moab will pay the tax on
eligible purchases. A visitor who shops in Moab stores, attends events,
stays in overnight accommodations, or eats in a local restaurant will
also contribute to the Recreation, Arts & Parks (RAP) tax. Based on 2019
tax revenues, 75% to 80% of RAP Tax revenue will come from visitor
spending.

2

WHAT TYPES OF PROJECTS CAN PROPOSITION 8 FUND?
These Recreation, Arts & Parks (RAP) funds may be used for capital
improvements and operations of publicly owned/operated arts,
recreation and parks programs and amenities, as well as other uses,
including: Parks, Playing Fields/Courts, Pickleball Courts, Moab Aquatic
and Fitness Center, Moab Arts and Recreation Center, Pedestrian
Trails/Bike Paths, Sports Programming, Youth Clubs, Festivals, and
Cultural Groups & Events.

3

ARE THERE LIMITATIONS ON HOW RAP TAX REVENUE IS SPENT?
According to State Code, the Recreation, Arts & Parks tax revenues can
only be used for recreational, cultural, arts and parks facilities and
programs provided by the city or qualifying nonprofit groups. State law
prohibits the use of RAP Tax revenue for any other purpose, including
general administrative expenses.

4

WHO DECIDES HOW THE MONEY WILL BE ALLOCATED?
Moab City residents will have the opportunity to give input into how the
funds are distributed. Potential amenities/programs will be suggested
during each budget year and that information will be available to the
public so residents can make their views known during a public
meeting. The City Council will take community feedback
into consideration and make the final decision

BEAR ENCOUNTER Being outdoors means being with wildlife. Many people never encounter a bear. But if you do, here's some simple advice: **DO NOT RUN.** Remain calm. Group together and pick up small children. Continue to face the bear and back away slowly, talking calmly to identify yourself as a human. If the bear continues to approach, try to scare it away by making yourself as large and imposing as possible by stretching your arms overhead and making loud noises. Carry and know how to use bear spray.

YOU MATTER TO GRAND COUNTY

Beginning March 12, you can complete your census online at www.2020census.gov.
Here's a quick refresher of what it is and why it's essential that everyone is counted.

1 resident = \$1,870.*

- Affordable Housing
- Child Care Assistance/Development
- Public School Funding
- Public Assistance
- Infrastructure (Highways, Roads, etc.)
- Mental Health and Substance Abuse Services
- School Lunch Funding
- Wildlife Education, Restoration and Safety
- Veteran Services
- Market Research
- Small Business Loans

Why does Census participation matter for Grand County? Your answers to the 2020 Census will impact funding tied to Grand County's greatest needs:

*Estimated based on top 55 federal programs identified by GW Institute of Policy, Counting for Dollars 2020

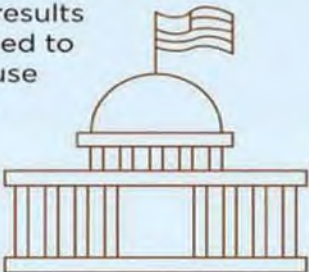

Everyone counts.

The U.S. Constitution mandates that everyone in the country be counted every 10 years. The first census was in 1790.

It's about fair representation.

Every 10 years, the results of the census are used to reapportion the House of Representatives, determining how many seats each state gets.

Your privacy is protected.

Your answers to the 2020 Census are safe and confidential. Your information is protected by law and frozen for 72 years. Individual household responses cannot be shared with other law enforcement agencies—not the FBI, ICE, or even local police or landlords.

Taking part is your civic duty.

Completing the census is mandatory: it's a way to participate in our democracy and say "I COUNT!" Help is available to fill out your census at the Grand County Public Library and the Moab Valley Multicultural Center.
