Are you satisfied with the current form of county government for the past 28 year that has led Grand County to the place and situation we're currently in?

Are you ready for more efficient, less costly, and more transparent county government?

THEN
Vote NO. YES. YES.
On Grand County Propositions 10, 16 and 17

Vote No on Prop 10 - Prop 10 would give the County a government that looks exactly like Moab City. It puts all County Executive power in the hands of one person, a Council Administrator. If you think a 3 member Commission centralizes power, why would you give all the Executive Authority for County Business to one person? Vote no to the Study Committee form of government.

Vote Yes on Prop 16 - Prop 16 would move the current form of government from 7 to 5 members. Let us seek greater efficiency and reduced costs with 5 Commissioners instead of 7. Grand County has been bogged down far too long with the inefficiency of a seven member legislative body. We do not need leadership by committee. Vote yes for a smaller more focused group of commissioners to move the county's business along in a timely and effective manner.

Vote Yes on Prop 17 - Prop 17 would allow all commission seats to be at-large. This means in a county as small as Grand County, you get to vote for every commission seat. No more politically carved out districting. Every Commissioner is answerable to every citizen of the County.

Remember - Vote
NO on Prop 10
YES on Prop 16
YES on Prop 17

Paid for by the Grand County Republican Party

Confused about Prop 10?

Voters have a choice.

PROPOSITION 8

To authorize a 0.1% sales and use tax to help fund recreation, arts, and parks in the City of Moab

HOW MUCH IS THE TAX & WHO PAYS FOR IT

- The tax would be 1 penny for every \$10 spent (groceries, unprepared food and gasoline are exempt).
- Based on the City's 2019 sales tax revenues, it is estimated that 75%-80% of the Recreation, Arts, and Parks (RAP) tax revenues will come from visitor spending.
- It is one way for visitors to help pay for amenities that primarily benefit Moab residents, including sports programming, Aquatic & Fitness Center operations, artsevents and programs, and parks.
- Funds from the tax **may only be used** for recreational, cultural, arts and parks facilities and programs provided by the city or qualifying nonprofit groups. State law prohibits the use for any other purpose, including general administrative expenses.

HOW CAN PROPOSITION 8 FUNDING BE USED?

For capital improvements and operations of publicly owned/operated amenities for local residents, and other uses including:

- Parks
- Playing fields/courts/pickleball courts
- Moab Aquatic and Fitness Center
- Moab Arts and Recreation Center
- Pedestrian Trails/Bike paths
- Sports programming/activities
- Arts and cultural programs
- Programs by qualifying nonprofit groups

Are you satisfied with the current form of county government for the past 28 year that has led Grand County to the place and situation we're currently in?

Are you ready for more efficient, less costly, and more transparent county government?

THEN

Vote NO. YES. YES.

On Grand County Propositions 10, 16 and 17

Vote No on Prop 10 – Prop 10 would give the County a government that looks exactly like Moab City. It puts all County Executive power in the hands of one person, a Council Administrator. If you think a 3 member Commission centralizes power, why would you give all the Executive Authority for County Business to one person? Vote no to the Study Committee form of government.

Vote Yes on Prop 16 – Prop 16 would move the current form of government from 7 to 5 members. Let us seek greater efficiency and reduced costs with 5 Commissioners instead of 7. Grand County has been bogged down far too long with the inefficiency of a seven member legislative body. We do not need leadership by committee. Vote yes for a smaller more focused group of commissioners to move the county's business along in a timely and effective manner.

Vote Yes on Prop 17 – Prop 17 would allow all commission seats to be at-large. This means in a county as small as Grand County, you get to vote for every commission seat. No more politically carved out districting. Every Commissioner is answerable to every citizen of the County.

Remember – Vote

NO on Prop 10

YES on Prop 16

YES on Prop 17

The graphic features a prominent blue header at the top with the text "PROTECT YOURSELF AND OUR COMMUNITY FROM COVID-19" in white, bold, sans-serif capital letters. Below the header is a black and white photograph of two young children, a boy on the left and a girl on the right, both wearing patterned face masks and looking towards the camera. The bottom section of the graphic has a white background with black text. It contains four lines of text: "Wash your hands regularly.", "Social distance whenever possible.", "Wear a mask when out-and-about.", and "If you have symptoms, get tested.". At the bottom center is the logo for Moab Regional Hospital, which consists of a stylized figure with arms raised, set against a background of red and orange shapes representing mountains or a sunset. Below the logo, the text "MOAB REGIONAL HOSPITAL" is written in a serif font. At the very bottom, the text "Coronavirus Hotline 435-719-3998" is displayed in a bold, sans-serif font.

REASONS TO VOTE FOR PROPOSITION 10

the COUNCIL MANAGER form of government:

Are you satisfied with the current form of county government for the past 28 year that has led Grand County to the place and situation we're currently in?

Are you ready for more efficient, less costly, and more transparent county government?

THEN

Vote NO. YES. YES.

On Grand County Propositions 10, 16 and 17

Vote No on Prop 10 – Prop 10 would give the County a government that looks exactly like Moab City. It puts all County Executive power in the hands of one person, a Council Administrator. If you think a 3 member Commission centralizes power, why would you give all the Executive Authority for County Business to one person? Vote no to the Study Committee form of government.

Vote Yes on Prop 16 – Prop 16 would move the current form of government from 7 to 5 members. Let us seek greater efficiency and reduced costs with 5 Commissioners instead of 7. Grand County has been bogged down far too long with the inefficiency of a seven member legislative body. We do not need leadership by committee. Vote yes for a smaller more focused group of commissioners to move the county's business along in a timely and effective manner.

Vote Yes on Prop 17 – Prop 17 would allow all commission seats to be at-large. This means in a county as small as Grand County, you get to vote for every commission seat. No more politically carved out districting. Every Commissioner is answerable to every citizen of the County.

Remember – Vote

NO on Prop 10

YES on Prop 16

YES on Prop 17

Paid for by the Grand County Republican Party
